Sinner's Prayer:

Lord, I realize that I am but a sinner and that I have been running my own life. I know now that I cannot save myself. Thank you that you died for me to save me. Forgive me my sin and selfish life. From this moment on I invite you to live in my heart. I accept Jesus Christ's death on the cross and that His blood was shed for me. I choose to make you Lord of my life and to be the person you would like me to be. Thank you that you have heard my prayer and that you have given me eternal life now. In Jesus Name. Amen.
